Tsubaki Acquires Dia-Saw Manufacturing Ltd. to Expand its North American Manufacturing Capabilities

Wheeling, IL – U.S. Tsubaki Power Transmission, LLC is excited to announce that Tsubaki of Canada Limited of Mississauga, ON purchased Dia-Saw Manufacturing Ltd. (“Dia-Saw”) of Maple Ridge, BC. Dia-Saw started as a manufacturer of shake and shingle mill equipment and has since evolved into a leading manufacturer of sprockets and related drive components.

The addition of Dia-Saw gives all Tsubaki subsidiaries in North and South America a great advantage by providing an additional manufacturing facility for production, alterations, warehousing and more. This strategic acquisition allows Tsubaki to further expand its product portfolio to provide an even wider variety of solutions for its customers. The increased capabilities and products associated with this acquisition will significantly enhance Tsubaki’s ability to serve the ever-changing needs of the market.
